## ElitePlus<sup>++</sup> Business Services (EPBS)

ElitePlus++ Business Services (EPBS) is India's leading platform covering Energy (including Oil and Gas, Coal and Renewables), Chemicals, Petchem, Polymers and Downstream processing industry-providing knowledge Summits across these verticals. Till date we have held 43 events of global scale and standards. In addition, we also conceptualize and conduct Speciality events, CEO Round Tables, Panel Discussions including organizing and managing large international industry congregations.

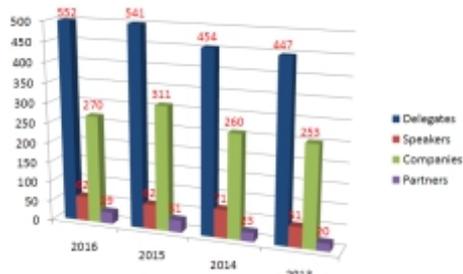

EPBS events attract partnership and participation of delegates from India and overseas. We work with private industry, including the biggest companies in the Petrochemicals and Oil and Gas sectors, leading industry associations as well as governmental agencies to ensure a 360 degrees approach.

## CHEMICALS AND PETROCHEMICALS MANUFACTURERS' ASSOCIATION (CPMA)

CPMA is the apex forum representing the Indian Petrochemical Industry. Established in 1993, the Association offers its members a podium to collectively present their ideas, voice concern and offer suggestions on relevant issues.

It provides a linkage between the industry, the Government and the society. It interacts with the policy making authorities and industry associations to develop and maintain harmonious and conducive business conditions.
