

Moldex3D Computational Mold Trial Request Form

Please fill out this form and send it to mail@moldex3d.com

I. Customer Information

Company: _____

Full Name: _____

Email: _____

Phone: _____

Address: _____

II. Mold Details

Existing Mold: Yes No

Please include your part and mold geometry (in STEP file or Native CAD)

III. Material Details

Supplier name: _____

Grade name: _____

Trade name: _____

Regrind ratio: _____

Fiber percentage: _____

Regrind: Yes No

IV. Analysis Objectives

Flow pattern/ hesitation

Flow balance among cavities

Welding Line and air trap location

Cycle time evaluation/reduction

Void and sink mark

Warpage

Cooling system

Others, please specify _____
