

08.00 - 08.50	Registration
08.50 - 09.00	Opening Remarks Kamal P. Nanavaty, President – Strategy Development, Reliance Industries Ltd.
09.00 - 09.30	Keynote Address I Emerging Global Technologies in Injection Moulding Technologies Tom Goeke, CEO, Milacron LLC
09.30 - 09.40	Keynote Address II India - On the Right Track - Opportunities and Challenges by 2020 Shailesh Haribhakti, Haribhakti & Co. LLP
09.40 - 09.50	Are we Ready for the Growth - A Reality Check Kamal P. Nanavaty, President – Strategy Development, Reliance Industries Ltd.
09.50 - 10.20	Panel Discussion I Growth for Injection Moulding & Blow Moulding in Polyolefins S. Mitra, Indian Oil Corporation Ltd. , Ajay Shah, Reliance Industries Limited , P K Gupta, Gail India , Malwinder Singh Battu, HPCL-Mittal Energy Limited , OPAL, HPL
10.20 - 10.40	Coffee/Tea Networking Break
Session-I	Injection Moulding – Material and Product
10.40 - 11.00	Meeting Consumer Expectations and Challenges Through Innovation in Polymers - Youssef Taha, Vice President Marketing Centre Moulding, Borouge
11.00 - 11.20	Moulding to Meet Consumer Expectations and Challenges
11.20 - 11.40	Injection Moulded Containers for Rigid Packaging Dr. Sunil Shankar Patil, President Technology, Hitech Plast Ltd.
11.40 - 11.50	Q & A Session
Session - II	Machinery and Materials - Innovations in Moulding Processes
11.50 - 12.10	Increasing Efficiency Through Automation in Injection Moulding Francis Yu, Chairman, Yudo Group
12.10 - 12.30	Latest Technology of all Electric Injection Molding Machine Takashi Kamiyama, Toshiba Corp
12.30 - 12.50	Efficiency and Performance Advantage in Thin Wall Moulding in Packaging Container Shirish Digvi, Managing Director, Ferromatik Milacron
12.50 - 13.10	Technologies and Trends in High Cavitations Cap-Injection Moulds Kevin Mathis, CEO, HTW
13:10 - 13:30	Emerging Technologies in Two-Platen Injection Moulding Machines T. S. Rajan, Chief Executive Officer, Windsor Machines Limited
13.30 - 13.50	Energy Efficiency and Sustainability Related Benefits Through Lubrication Imtiaz Ahmad, Regional Manager-Industrial, ExxonMobil Lubricants Private Limited
14.50 - 14.00	Q & A Session
14.00 - 15.00	Lunch & Networking
Session - III	Injection Moulding for Caps and Closures
15.00 - 15.20	Innovative Solutions for Blow Bottles - Adding Value to Bottles Volker Spiesmacher, Marketing and Sales Director, Bericap Holding GmbH
15.20 - 15.40	Closures by Compression Molding Rajesh Sharma, Business Unit Director – Closures & Containers, SACMI Engineering India Pvt. Ltd.
15.40 - 15.50	Q & A Session
15.50 - 16.20	Coffee/Tea Networking Break
Session - IV	Industrial Injection Moulding and Handling
16.20 - 17.00	Rigid Plastics Packaging – A Buyer's Perspective Sumanto Bhandari, GM Procurement (Packaging Materials) - South Asia, GlaxoSmithKline
17.00 - 17.20	Latest Trends in Consumer Electronics & Telcom Sector Kali Charan Sahu, Deputy General Manager – R&D, Samsung India Electronics Pvt Ltd
17.20 - 17.40	Light Weighting through Injection Moulding in Automobiles
17.40 - 17.50	Modelling & Simulation in Designing A.J. Chandrasekhar, Director -Technology, Axiom
17.50 - 18.10	Case study on Material Handling - Improve your Bottom Line Dhruv Shah, Executive Director, Prasad Group of Companies
18.10 - 18.20	Q & A Session
18.20 - 19.10	Panel Discussion II Improving Profitability - Inspiring Stories Geeta Anand, A.G. Industries (Supplier to Hero Moto. Corp), Raju Desai, AIPMA , Jayesh Rambhia, Premsons Plastics Pvt. Ltd. , Madhav Karbelkar, UNIDO
19.10 - 18.20	Q & A Session
18.20 - 18.40	Cocktail Networking Break
18.40 - 19.10	Dinner Speech Exciting Opportunities in Indian Capital Markets - Discover your Pot of Gold Raamdeo Agrawal, Co-Founder and Joint Managing Director, Motilal Oswal Financial Services Ltd.
19.10 - 19.30	Lifetime Achievement Awards
19.30 - 19.40	Lucky Dip
19.40 - 20.40	Cocktail & Dinner

08.50 - 09.00	Opening Remarks
09.00 - 09.20	Keynote Address I Globalization of Indian Packaging Industry D Shivakumar, Chairman and CEO - India Region, PepsiCo
09.20 - 09.40	Keynote Address II New Opportunities in Bottle Grade PET Rakesh Gaur, Sector Head – Polyester, Reliance Industries Ltd.
09.40 - 10.00	Coffee/Tea Networking Break
Session- I	PET- A World of New Opportunities
10.00 - 10.20	Innovations in PET Vimal Kedia, Managing Director, Manjushree Technopack
10.20 - 10.40	Aseptic Milk Packaging in PET Anil Bayati, Mother Dairy
10.40 - 11.00	Liquor Packaging in PET
11.00 - 11.20	PET as a New Packaging Medium B.V. Ramanan, Chairman and Managing Director, Livia Polymer Bottles Pvt. Ltd.,
11.20 - 11.50	Panel Discussion - III
Session Chairman	Sapan Ray, Reliance Industries Ltd.
	Sustainability and Recycling Dr. Vijay Habbu, Reliance Industries Ltd., J Sridhar, Hindustan Unilever, Sunil Gulati, CocaCola, Akhilesh Bhargava, AIPMA
Session - II	Machinery – Innovations in PET M/C
11.50 - 12.10	Economic Production of PET Preforms Reto Bamert, Director Sales PET Systems, Netstal
12.10 - 12.30	Latest Blow Moulding Solutions & Technical Innovations in PET Filling Laurent Fournier, Managing Director, Sidel India Pvt. Ltd.
12.30 - 12.50	Emerging Markets for PET Containers Amitabh Agrawal, General Manager - Sales and Marketing, ASB International Ltd.
12.50 - 13.10	Pathways to Profitability - Efficiencies and Conserving Resources in your Processes James Jamison, General Manager – PET Packaging, NU VU Conair Pvt. Ltd.
13.10 - 13.55	Lunch & Networking
13.55 - 14.15	Latest Developments in Blow Molding (CBF, Containers) & Injection Molding (IPS, PET Performs) Andrea Fiorentini, SACMI IMOLA S.C.
14.15 - 14.35	Light Weighting for Non Beverage with BFC Blocks for all PET Applications David Huang, International Non - Beverage Marketing Director, Tech-Long Packaging Machinery Ltd.
Session - III	Blow Moulding
14.35 - 14.55	Keynote Address – I Recent & Future Developments in Blow Molding & System Packs & Their Impact on Various Sectors Speaker from ALPLA
Session - IV	Advances in Blow Moulding
Session chairman	Muhamad Fadhil, Middle East Chief Correspondent, ICIS
14.55 - 15.15	Injection Blow Moulded Containers for Personal Care Products
15.15 - 15.35	Advances in Blow Moulded Containers in Sterile Dosage Forms
15.35 - 15.55	Packaging Decorations - Variety and Technologies for A Distinguished Shelf Appeal Saurabh Dhawan, Director, SSF Plastics India Pvt. Ltd.
15.55 - 16.15	Large Blow Moulded Containers Ashish Baheti, Managing Director, Vectus Industries Limited
16.15 - 16.35	Coffee/Tea Networking Break
Session - V	Value Addition in Blow Moulding
16.35 - 16.55	What Customers & Consumers want in Sustainability Dr. Surendra Agarwal, BOD, SPE Blow Molding Division - Chairperson, Technical Program Committee, Creative Group of Industries
16.55 - 17.15	Nucleating Agent for Down Gauging of PP Parts Dr. Naoshi Kawamoto - General Manager & Head of Technical Services, Adeka
Session - VI	Machinery
17.15 - 17.35	Innovations in Blow Moulding Machinery for Bottles and Containers Eric Hallstrom, Sales Manager, New Business Development, Uniloy North America (USA)
17.35 - 17.55	Global Trends in Blow Moulding – Engineering, Automotive and Households Andreas Lichtenauer, Managing Partner, Kautex Maschinenbau GmbH
17.55 - 18.10	Lucky Dip

Injection Moulding & Blow Moulding

International Conference - 2013

25th - 26th July 2013 - The Lalit, Mumbai, India.
