

Moldex3D Global Innovation Talent Award 2021 Project Presentation Video Recording Instructions

The Project Presentation Video must be submitted in MP4 and sent to talentawards@moldex3d.com before **Friday, July 15, 2022**.

Presentation Recording Instructions

- Video Length: Around 30 minutes
- Video Language: English or Chinese (Please make sure your voice is clear.)
- Video Type: MP4 (Good video resolution is required.)
- Presentation Ratio: 16:9
- Portrait: Optional
- Microsoft PowerPoint is recommended for the recording. Please refer to the [instructions](#). (Note: Older versions of Windows do not support the portrait recording. If you would like to record your portrait, feel free to use other recording software.)
- To record the portrait, please place the portrait in the lower right corner (as shown in the picture below).
- Samples:
 - A. [With portrait](#)
 - B. [Without portrait](#)
